HOUSE VISITS

To monitor the children's health and family conditions, YUM's staff regularly come to the children's houses. This visit gives the staff the opportunity to sit down and communicate with the parents and other family members, getting to know them better.

SCHOOL VISITS

Our beneficiaries study in different schools, so in order to know more about their academic progress, YUM's staff goes to each of their schools and communicate with their teachers.

MEDICAL CHECK-UP

Every year, all of our sponsored children receive free medical check ups twice a year (in December 2017 and June 2018). Thankfully all their results were good and none of them have problems with their health condition. YUM collaborated with the Cimaacan community health centers' staff to check all of YUM's sponsored children.

RECREATIONAL ACTIVITIES

On December 19th, 2017 all of the sponsored children went to see a waterfall in Taman Nasional Cibodas. They were very happy to be part of this activity.

Soon, on August 31st 2018, they will be going to a Jamboree camp in Mandala Kitri at Taman Nasional Cibodas. This activity is the first event for them where they will do a camping trip. They will also be doing outbound activities.

WORKSHOP FOR TEENAGERS

Pak Yudi, a community health staff, and ibu Tarkiyah, YUM's staff, provided health information for teenager to all our sponsored children. The children were very excited to attend this activity. It gave them the opportunity to receive knowledge and ask questions about teenage issues that they would otherwise not receive elsewhere.

BI-MONTHLY GATHERINGS WITH THE STUDENTS AND THEIR FAMILY

Every two months, all the parents have to come to YUM's center to attend education workshops. Ibu Tarkiyah always provides useful information to the parents, so they will be able to apply that information in their life such as health issues concerning children, parenting styles and nutrition.
